Malasia Boot Camp

On 13 February 2026, students at International Institute of Business Studies (IIBS Bangalore) had the privilege of participating in an engaging Global Learning session as part of the Malaysia Boot Camp, led by Dr. Warusia Yassin, Ph.D. Bringing an international perspective and valuable industry expertise, Dr. Yassin emphasized that cybersecurity is not merely a technical function but a critical business strategy that must be integrated into managerial decision-making. She highlighted that digital risks directly impact organizational sustainability and competitiveness and stressed that individuals within an organization can be both the greatest vulnerability and the strongest line of defence, making awareness and culture essential. The session reinforced that modern managers must understand cyber risk and embrace digital

responsibility to build trust and drive long-term growth. This insightful session encouraged our aspiring leaders at IIBS Bangalore to combine business intelligence with cyber intelligence and prepare for responsible leadership in today’s digital-first world.

Shaping Future HR Leaders: Insight Leaders Podcast 2026

On 7 February 2026, at International Institute of Business Studies (IIBS Bangalore), a highly engaging and insightful podcast session was conducted exclusively for MBA and PGDM students, providing a valuable platform for professional learning and leadership development. The session featured an interactive discussion with distinguished industry experts Mr. Vipul Kapoor,

Manager – HR Talent Management at Meesho, and Ms. Suma Gowda, Placement Officer at IIBS Bengaluru. The speakers shared practical insights on contemporary leadership, strategic talent management, and the importance of cultivating inclusive and future-ready workplace cultures. This enriching session enabled students to gain a deeper understanding of the evolving role of HR in modern organizations and strengthened their confidence to excel in today’s dynamic corporate landscape.

Workshop on Union Budget 2026: From Farms to Future Tech

On 6 February 2026, at International Institute of Business Studies (IIBS Bangalore), our management students explored the Union Budget 2026 through an engaging and interactive workshop that transformed complex policy announcements into meaningful learning experiences. Through detailed case analyses and group presentations, students examined key

focus areas such as the pharmaceutical sector, financial sector reforms, the new income tax regime, space sector developments, Digital India initiatives, infrastructure and connectivity, and capital gains tax. The session encouraged critical evaluation of budget proposals and enabled students to understand their practical implications for business and managerial decision-making. This hands-on approach strengthened their analytical thinking, teamwork, and presentation skills, effectively bridging the gap between economic policy and real-world management while preparing confident and strategic future leaders.

Industrial Visit to Amrut Distilleries – PGDM (2025–27) Batch

PGDM students (2025–27 batch) of the International Institute for Business Studies (IIBS), Bangalore, successfully undertook an industrial visit to Amrut Distilleries, gaining valuable

exposure to large-scale manufacturing and operational excellence. The visit offered firsthand insights into production processes, quality control measures, supply chain management, and the strategic operations of a renowned distillery brand. The experience proved to be highly informative, effectively bridging academic learning with real-world industry practices and strengthening students' understanding of practical business management.
